

Dear Haskell Families,

We are preparing to honor Veterans in the month of November. We are creating a large display of Haskell family members that are United States veterans. If you have a family member that has served or is serving our country, please attach a photo below and fill in the requested information. When complete, give this form to Mrs. Walderbach. You may get additional forms from Mrs. Walderbach, or they can be printed from our web site. *Every effort will be made to return your photo to you!*

THANK YOU TO

(Name of person pictured.)
