

Test Monitor Volunteers Needed!!

Parents or Guardians:

I need over 100 test monitors for our spring testing!! The first test date is Tuesday, April 2nd and testing will continue through April 17th. If you are able to help on one or more of our testing days, please email me at leann.chastain@edmondschools.net or complete the following information and return it to school with your student. Grandparents, neighbors, and other friends/relatives who are over the age of 21 are welcome to help as well!! For every spot a student gets a relative/friend to fill, that student gets their name in a drawing for extra recess!! If a monitor has two or more students at Haskell, each student will get his/her name in the drawing for each spot filled!! Thank you so much☺
