

To: All Before/After Care Parents

Due to the ever-changing schedule for school this year, we have added a new feature to the online payment portal for Before/After Care tuition. This feature will allow you to make pre-payments of tuition, which will then be used to pay charges as they are incurred. Our hope is that this will eliminate refunds and processing headaches.

To log-in to the payment portal, please go to the following website:

<https://ok-edmond.intouchreceipting.com/>

Your username is your student's District ID number. Your password is your student's last name with the first letter capitalized. If you have multiple students, your Parent Portal ID may be used to access all students in your family under one account.

Once logged in, choose the student, choose Items at Student's School, then choose daycare in the middle. There will be one item: Pre-Paid Tuition. Enter the amount you would like to pay and click Buy. The amount entered will be put in your shopping cart for checkout. From there, the site works just like an other online shopping site.

As with credit card payments for student meals, there is a nominal processing fee to pay with your credit card. This fee simply covers the cost to process the card. Edmond Public Schools does not make money on these fees.

Thank you for your patience and support during this unusual time!
